IRIS CULTURE

Iris will grow best in a well drained soil. They will not tolerate wet feet. They do well in any type of soil from sand to clay. We have found that compost in the soil under the Iris, with the addition of a little super-phosphate will permit the roots to permeate the soil, and thus produce larger rhizomes and better flowers. We plant the rhizomes with the fan to the north and the tip of the rhizome to the south, with about one inch of soil over the top. Never let any manure touch the rhizome. Iris will take some fertilizing if you are careful. Plant Iris from one foot to 18 inches apart.

Water well when first planted. Do not over water when well established. Keep soil clean from weeds and rubbish. Rhizome rot is caused by wet soil and warmth. When the leaves wither, dig out rot from rhizome with a spoon, put gypsum, permanganate or sulphur on the clean surface and leave open to the sun. We like Carco-X as a spray and dip and fumigant.

Please notice special Sale on Back cover.

GREETINGS FOR 1961

From Yucaipa, California at our elevation of nearly 3000 feet in the foothills of the beautiful High Sierras, where we have virgin soil filled with minerals. We have freezing weather with some snow in winter and heat in summer making large sturdy rhizomes that will grow well for you and produce large beautiful flowers. Our visitors marvel at the growth of our Iris and the size of the blooms.

We guarantee all stock true to name. If for any reason your rhizomes do not prove satisfactory, please write us about them and we will do our best to satisfy you.

If stock is sold out, we will refund your money. Terms are cash with order. We will begin shipping July 1st. California residents please add tax.

Each year we give our customers the advantage of our Sale of Iris rhizomes.

After July 1st, we will sell, while they last, **ALL** Iris at one-half price, (except those marked "net" which are in short supply). **YOU MUST PAY TRANSPORTATION, AND MAY ORDER EARLY AND RESERVE FOR THIS SALE.**

Orders will be filled in rotation as received. Please send a substitute list.

Thank you, old friends, for your fine orders, and to our new customers, we hope you will give us a chance to please you.

Best wishes for a fine Iris season.
